Hope Now Newsletter

Sandeep graduated from St. Francis Xaviers ITI College in September with a degree in Diesel Mechanics. He has been applying for jobs since graduation and just secured a job with Varun Motors in the city of Secunderabad. He is looking forward to putting his education to work and begin his career. Sandeep has always loved cars and this vocation path suits him. We will continue to support him as he saves money and meets his goal to move into an apartment with a few of his brothers early next year. It is an absolute joy to see how all of the hard work he put into his classes over the past two years is culminating in his success. This is and has always been our goal - to provide the opportunity for each of our kids to build the life they dream of.

One week from today is Giving Tuesday 2025. A day to give back and support a cause you believe in. Giving Tuesday is one of the biggest fundraising days of the year for nonprofits and for us. Our story is a beautiful reflection of what it means to support an orphaned child into adulthood and provide a path to a life where they can be independent, successful, have a good job, get married and become parents if they so choose. In short - a life like any other regardless of where the path started.

Sandeep

- Giving Tuesday
- It Is Exam Time
- Consider a Monthly Sponsorship

NOVEMBER 2025

Exam Time Has Begun

The end of the semester is here and exams have begun for many of the kids. We all know that pit of your stomach feeling the night before an exam. You spend the time studying but the mind won't focus, you can't sleep and you begin to think, "what if I don't do well?"

India is known for its challenging exams. These two times a year exams are difficult and competitive. There is a great deal of pressure to perform well due to high societal expectations and the nature of how a college seat is given in India, which is based on exam results for most students.

We take extra care and attention during these times to ensure our kids are fed well, get enough sleep and take breaks from the books. We are all looking forward to the holiday break.

Study time.

Breaks are important.

IMPACT A CHILD - IMPACT THE WORLD
WE ARE ON A MISSION TO CHANGE LIVES

100% of your donation goes to supporting our kids.

Consider a Monthly Sponsorship

Sustainable giving in the form of a monthly sponsorship provides stability. For just \$49 a month, you can sponsor one of our kids and help us meet the needs required to maintain a quality education. This monthly support helps pay for a monthly metro pass, school supplies, tuition and more. You have the opportunity to ensure an HIV-positive young person goes to college and fulfills their dreams. **Be part of a life changing endeavor - give to Hope Now - a family, a home, a promise delivered.**
