Hope Now Newsletter

This past year was filled with wonder. Wedding celebrations, college graduations, first professional jobs and countless little victories that created the courage and resilience to strive for even more.

No great victory no matter how big or how small is accomplished without you. Our family of supporters are the vital core of what we do. From our family to yours we thank you. We thank you for believing in us, remaining faithful to our vision, mission and goals. Time can be measured in minutes, days, years, lifetimes. Our time is measured in outcomes that change the lives of our kids.

Samuel and Anitha's wedding was a glorious reminder of how far we have come from that small, rural village of Chandrakal so many years ago, with our first 7 kids living in a broom closet after their parents passed away at the local hospital when HIV/AIDS was ravaging the area. To today, seeing our first to be married nearly 5 years ago Dasu with his wife Shruthi and daughter Jerusha. A wonderful reminder that every effort, the long days of study in the library, the health roller coaster that HIV/AIDS can still be, the failures that life inevitably brings and the happy endings are all part of the journey. We are so grateful you are here to bear witness to the wonder of possibility.

The Clarion Call

Nonprofits are in a constant dance with fundraising. It is a dynamic, engaging, sometimes strenuous relationship we have with raising money. We are in partnership with donors, sponsors, local government, educators and volunteers that create a bridge for needed sustainable funding. As we do each year, we are asking for those who can to give a tax-deductible year end gift. These donations pave the way to another year of living.

With a world in great need, we recognize the decision to be a part of our support network is an honored one and we thank you. As the year draws to a close we wish you a very

WE ARE ON A MISSION TO CHANGE LIVES

100% of your donation goes to supporting our kids.

Consider a Monthly Sponsorship

Sustainable giving in the form of a monthly sponsorship provides stability. For just \$49 a month, you can sponsor one of our kids and help us meet the needs required to maintain a quality education. This monthly support helps pay for a monthly metro pass, school supplies, tuition and more. You have the opportunity to ensure an HIV-positive young person goes to college and fulfills their dreams. **Be part of a life changing endeavor - give to Hope Now - a family, a home, a promise delivered.**
