## Hope Now Newsletter

We have so much to celebrate already in this new year. The 2025/26 school year has come to an end and we are now in the middle of year-end exams. This means another round of kids will be making big decisions over the next month. Upon completion of exams mid-March comes the results shortly thereafter. At that time, they will decide - based on the results - where will they go next. We will spend time with each of them to help them make this very important decision. Then summer holidays at last. A well deserved time off before they start another year.

We wanted to take some time to give an update on Sandeeps journey. After more than a year of effort he now has his UDID card. This will open doors for him when he is ready to apply for jobs after his current internship is complete in March of 2027. His smile is a testament to his great joy with his new hearing aids.

## Life Updates Part Two

Bhanu is now at the internship phase of his education. He completed his Associates Degree as an Electrician and has just begun his apprenticeship which will last until June 2027. At that point he will apply for a full time job as a licensed electrician. This is a very lucrative job in India and he will have a successful career wherever he lands. He even got new safety shoes.

## Consider a Monthly Sponsorship

Sustainable giving in the form of a monthly sponsorship provides stability. For just \$49 a month, you can sponsor one of our kids and help us meet the needs required to maintain a quality education. This monthly support helps pay for a monthly metro pass, school supplies, tuition and more. You have the opportunity to ensure an HIV-positive young person goes to college and fulfills their dreams. **Be part of a life changing endeavor - give to Hope Now - a family, a home, a promise delivered.**
